Hiring Manager

Goldman Sachs

Dear Hiring Manager,

I am writing to express my interest in the Commodities Operations role at Goldman Sachs. As a recent graduate with strong analytical skills, attention to detail, and a deep interest in commodities and derivative products, I am excited about the opportunity to contribute to your team.

I am eager to develop a strong understanding of commodities markets, derivative transactions, ISDA terms, and the end-to-end trade lifecycle. I am proficient with Microsoft applications and have experience working with data, identifying discrepancies, and maintaining accuracy under time pressure. My ability to learn quickly, manage multiple tasks, and communicate clearly allows me to work effectively with cross-functional teams.

I am particularly motivated by the role's focus on trade matching, resolving booking discrepancies, confirmations, settlements, and ensuring operational risk controls. As a self-starter and a team player, I am confident in my ability to support the Sales and Trading desks, investigate breaks, and contribute to continuous process improvement.

Goldman Sachs' culture of excellence, learning, and collaboration strongly inspires me, and I would be honored to begin my career with your organization.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to the Commodities Operations team.

Sincerely,

Ajeesh Kumar B S
